

MOHIT SINGH BHANDARI

Web Developer

📞 8383984698 @ mohitsingh2003uk@gmail.com 📍 Faridabad, India

SUMMARY

I am an aspiring front-end developer with strong skills in HTML5, CSS3, and growing expertise in JavaScript. I excel at creating responsive, accessible, and visually engaging websites. My technical abilities complement my background in graphic design, providing a well-rounded approach to development. I am passionate about continuous learning and eager to contribute to innovative, growth-oriented teams

EXPERIENCE

Web Developer Intern

Self-Initiated

📅 06/2025 - 01/1970 📍 Delhi, India

Remote internship focusing on web development

- Designed and developed responsive web pages using HTML5, CSS3, and modern layout techniques like Flexbox and CSS Grid
- Created clean, mobile-friendly designs with a focus on cross-browser compatibility and accessibility
- Practiced JavaScript fundamentals to build simple interactive features (e.g., image sliders, form validation)
- Used Git and GitHub to manage version control and showcase code publicly
- Optimized websites for performance using clean code practices and structured file organization
- Built a personal portfolio website to display projects and ongoing work
